American Trees and Shrubs . . .

Broadside

LINNÆAN BOTANIC GARDEN AND NURSERIES.

WM. R. PRINCE & CO.,

FLUSHING, NEAR NEW YORK.

American Trees and Shrubs,
many of which are new & rare.

Abies, 3 species California,
Alnus plumosa (California),
Ampelopsis tricolor (grimpante),
Berchemia volubilis (grimpante),
Biotia Californica,
Calycanthus macrophyllus,
Castanea Princei,
Celtis pumila,
Cercis Californica,
Clematis Hartwegi (grimpante),
Corylus americana,
— rostrata,
Cupressus mexicana,
Echites difformis,
Fagus ferruginea,
Fraxinus Californica,
— platycarpa,
Gelsemium nitidum,
Hibiscus syriacus nivea pleno,
— striata superba,
— flore pleno, fol var,
— 6 espèces nouvelles,
Halesia parviflora,
— rosea,
— macrocarpa,
Hippophaea argentea,
— canadensis,
Ilex prinoides, et autres,
Itea virginica,
Juniperus mexicana,
— caroliniana,
Kalmia latifolia nivea,
Laurus regia, et autres,
Lonicera Douglassii,
— macrophylla,
— sp. nova,
Magnolia macrophylla, 2 ans de graines,
— 4 ans de graines,
Magnolia, toutes autres espèces,
Mahonia, 5 espèces,
Neogleditsia Californica,
Oxyechinus macrocarpus,
Pachira montana, 10 nouvelles espèces magnifiques de nos semences,
Pavia Californica,
— glabra,
— macrostachya,
— Ohioensis, vel pallida,
Pinus Benthamiana (California),
— macrocarpa (California),
— spiralis (California),
— 2 species Mexico, et autres,
Populus grandidentata, etc.,
Porcellia triloba,
Punica granatum, lutea pleno,
— sinensis, striata superba pleno,
Pyrus sinensis albo,
— Princei, superba plena,
— Siberica, fructu maxima,
Quercus laurifolia,
— macrocarpa,
— gigantea (California),
— Californica (sempervirens),
— 20 autres espèces,
Rhamnus caroliniana,
— Californica,
Ribes, 8 species, California,
Rosa rubifolia, 25 belles espèces grimpantes,
— bien rustique pour le climat du nord,
— Augusta, flore luteo, bello grimpante,
— parviflora plena,
Rubus americanus,
— canadensis,
— Californiens,
— ceruleus,
— cuneifolius,
— Humboldtii (California),
— laciniaius,
— occidentalis,
— var. fructu albo,
— mexicanus,
— nobilis,
— nootkanus,
— odoratus,
— var. albiflora,
— Sitkatensis (Oregon),
— spectabilis,
— strigosus,
— trivialis,
— var. fructu matrimo,
— var. fructu albo,
— villosus, 2 var.,
— var. fructu albo,
Salix argentea (California),
— Sacramentis (California),
Sequoia gigantea (Taxodium),
Shepherdia elegans,
Smilax tannoides,

Sorbus americana, and microcarpa.

Spiraea Californica alba,
Spiraea Californica rubra,
Styrax Californica,
Taxodium, 2 species, California,
Thuya gigantea (California),
Torreya nucifera,
Vitis Californica, sp. nova,
— 6 espèces, California,
Wistaria frutescens alba,
— floribunda,
Xylosteum ciliatum,
— occidentale,
— solonis,
— sp. nova,

New and rare American Fruit
Trees, &c.

Apple, Pommier, une magnifique Collection de 200 espèces Américaines.
Cherry, Cerisier, une belle Collection de 30 espèces Américaines.
Chestnut, Châtaigner, Princei, bonne espèce nain.
Fragaria, 54 espèces nouvelles, la plus magnifique Collection du monde, pour leur beaux fruits, et pour leur fertilité, et très rustique pour les Pays du Nord.
Grape, Vigne, une bonne Collection de 40 espèces Américaines, and 6 de Californie, bien important à cause d'être bien vigoureux, and très rustique pour le Nord.
Peach, Pêche, une belle Collection de 110 espèces Américaines.
Pear, Poirier, une belle Collection de 80 espèces Américaines.
Plum, Prunier, une magnifique Collection de 56 espèces Américaines.
Blackberry, Ronce, 6 très bonnes espèces Américaines.
Raspberry, Framboisier, 10 bonnes espèces Américaines.
— Californien, fructu maximo.

American Plants,
Including many new Species.

Aceia alba (spicata),
— rubra,
Allium incarnatum (California),
— niveum (California),
Alettris farinosa,
Amorpha Illinoisensis,
Anemone dichotoma,
— virginica,
— thalictroides,
Amorpha Illinoisensis,
Ansonia latifolia,
— salicifolia,
Apios tuberosa (grimpante),
Aralia racemosa,
Aresthusa bulbosa,
Aristochia serpentaria (medicinal—grimpante),
Artemesia Californica,
Arum dracontium,
— triphyllum (3 var.),
Asclepias amena,
— cornuti,
— incarnata,
— obtusifolia,
— pulchra,
— phytolaccoides,
— quadrifolia,
— tuberosa,
— verticillata,
— angustifolia (California),
— coronata (California),
Aster novae Anglie, &c.,
Astragalus missouriensis,
Baptisia cerulea,
— bicolor,
— tinctoria,
Brodicea Californica,
— congesta,
Calla palustris,
Caltha palustris,
Calochortus barbatus albus (California),
— luteus (California),
— venustus, &c.,
Calopogon pulchellum,
Calystegia sagittata,
— auriculata (California),
Cassia marylandica,
Ceanothus americanus,
Chelone glabra,
— obliqua,

Cimicifuga serpentaria,
Claytonia caroliniana,
— virginica,
Convolvulus panduratus, albo pleno,
Coreopsis, espèces diverses,
Cornus canadensis,
Corydalis formosa,
— var. alba,
Cucubalus stellatus,
Cypripedium acaule, vel humile,
— arietinum,
— candidum,
— parviflorum,
— pubescens,
— pubescens minor,
— spectabile,

Darlingtonia intermedia,
Dientra canadensis,
Dionaea muscipula,
Dioscorea villosa (grimpante),
Dodecatheon Californica (2 var.),
Dracocephalum denticulatum,
— virginicum,

Drosera longifolia,
— rotundifolia,
Epilobium angustifolium,
Erythrina herbacea,
Erythronium lanceolatum,
— albidum,
Eupatorium celestinum,
— perfoliatum,
— purpureum, &c.,
Fragaria missouriensis (10 var.),
— Californica,
— 50 espèces magnifiques nouvelles,
Fritillaria lanceolata,
— Californica,

Gentiana, espèces diverses,
Geranium maculatum,
Gillonia stipulacea,
— trifoliata,
Gerardia flava,
— quercifolia,
Gnaphalium macrocarpum,
Helianthus bullata,
— asphodeloides,
— dioica,

Hedysarum canadense,
Hemerocallis fulva, pleno,
Hepatica americana (2 var.),
Hibiscus grandiflorus,
— militaris,
— moscheutos (3 var.),
— palustris (4 var.),
— speciosus,

Hieracium kalmii,
— venosum,
Hypericum ascyroides, &c.,
Hypoxis erecta,
Iris, espèces diverses,
— missouriensis, pleno,
Ixia celestina,
Jeffersonia diphylla,
Lechea major,
— minor,

Leptandra virginica (medicinale),
Lespedeza, espèces diverses,
Liatris pycnostachya,
— odoratissima,
— scariosa,
— spicata,
— squarrosa, &c.,
Lilium canadense (3 var.),
— philadelphicum,
— superbum,
— 2 belles espèces de Californie,

Lobelia cardinalis,
— var. alba & versicolor,
— var. alba,

Lupinus, 6 espèces Californica,
Lycopodium complanatum,
Lysimachia, espèces diverses,
Malaxis filifolia,
Medeola virginica,
Menispermum canadense (grimpante),
Mentha Californica,
Mikania scandens (grimpante),
Monarda didyma,

— gracilis,
— kalmiana,
— mollis,
— oblongata, &c.,
Nelumbium luteum,
Nesaea (Gleditsia) cernua,
— pubescens,
— tessillata,
— trifolia, &c.,
Nymphaea odorata,

Ornithogalum aurantiacum (California),
— radiatum (California),
— niveum (California),
— bicolor (California),

Orehis hepariglotitis,
— ciliaris,
— dilatata,
— fimbriata,
— orbiculata,
— spectabilis,
— viridis, &c.,
Panax quinquefolium (Ginseng),
— trifolium,

Parnassia caroliniana,
— var. alba,
Pollandria virginica,
Passiflora incarnata,
Penstemon digitalis,
— atropurpureum,
— cardinalis (California),
— panicum pomaridianum (California),
— divaricata,
— subulata,
— var. alba,

— solonifera, &c.,
Podophyllum peltatum,
Pogonia ophoglossoides,
— verticillata,
Pulmonaria virginica,
— var. alba,
Polygonatum, espèces diverses,
Pycnanthemum verticillatum, &c.,
Rudbeckia columbiana,
— fulcra,
— lacinata,
— purpurea,
— submontana, &c.,
Rumex, 2 species Californica,

Sagittaria sagittifolia,
— var. plena,
Sambucus canadensis,
Sambucus racemosa,
— flava,
— purpurea,
— pensilvanica,
— variegata,

Saururus cernuus,
Scandix americana,
Scleranthus unguis,
Scilla azurea (California),
Sedum Californicum,
Senecio aureus,
— pennsylvanicus,
Silphium terebinthaceum, &c.,
Sisyrinchium azoos,

— bernardianum,
Solanum missouriense (aureum),
Smilacina, espèces diverses,
Sparganium angustifolium,
— gracilis,
Streptopus distachys,
— laevis,
— rostratus,
Ternstroemia virginica,
Thalictrum nemorosoides, &c.,
Tradescantia rosea,
— virginica (4 var.),
— alba, & bicolor,

Tallium cernuum,
— erectum purpureum,
— erythrocarpon (pictum),
— grandiflorum,
— sessile,
Tateleia laxa (California),
— vulvaria grandiflora,
— perfoliata,
— sessilifolia, &c.,
Valeriana sylvatica,
Veratrum viride,
Verbesina sigesbeckia,
Viola, espèces diverses,
— chrysantha (California),
Zauchneria Californica,

NOTE.—De plus nous pouvons fournir toutes autres Arbres et Arbrisseaux d'Amérique du nord.

SEEDS—GRAINS.

American Forest Tree and Shrub Seeds can be supplied in large quantities to European Venders and Nurseries, and at moderate prices; but the payment must in all cases be made in the City of New York, at the time of shipment.

LINNEAN BOTANIC GARDEN AND NURSERIES.
